Carbonates and Evaporites
An International Journal
Gerald M. Friedman, Editor

Rates Volume 23, 2008

	USA	Other Countries
Institutional	\$ 88.00	\$ 98.00
Individual	\$ 55.00	\$ 70.00

Subscription price includes postage and handling
Published biannually in June and December
E-mail: carbonates@thesciencefoundation.com

Carbonates and Evaporites provides a forum for the exchange of ideas on all aspects of carbonate and evaporite geology. In addition to professional papers the journal features reports from meetings, news from societies, letters to the editor, and a regular book review section. Of interest to professionals and students alike the journal will be a useful and interesting addition to your library.
